The Nelson-Atkins Museum of Art, in partnership with the Alzheimer’s Association-Heart of America Chapter, provides free gallery tours for people with memory loss and their caregivers. Come explore art in a safe and caring environment with specially trained docents sensitive to the interests and abilities of our visitors.

The Minds in Motion walk-in tour is offered the first Wednesday of every month at 1 p.m. If you plan to attend a tour, please call 816.751.1ART or visit the calendar at nelson-atkins.org to register. For the best experience, we highly recommend that facilities bringing a large group sign up for a private, custom tour at nelson-atkins.org/tours.
