Plains Indian is a broad term the encompasses the work of people belonging to different tribes with diverse cultures, traditions, and homelands located in the Great Plains of both the United State and Canada. This bibliography explores the history of Plains Indian art, including different mediums and cultural groups. In the bibliography, there are sections exploring resources on general works, specific artistic mediums, individual cultural groups, including groups that lived in the Kansas City region, and a section on contemporary Plains Indian artists.

If you have questions, please contact the reference staff at the Spencer Art Reference Library (telephone: 816.751.1216). Library hours and services are listed on the Museum’s website at www.nelson-atkins.org
